

Add it up!

Dear Preschool Families,

Now that our students are experts in identifying, counting and manipulating numbers 1 through 10, I would like them to prepare a *Math All About Me* poster. Please complete the poster with your child (be sure to let your child count and write the numbers!) and return the poster to school. We will present two per week, so we can compare numbers as we learn about each other!

Our schedule will be as follows:

3/6/23 -	Anne Marxi	4/17/23 -	Bannon Travis
3/13/23 -	Nolan Celia	4/24/23 -	Elo Sam
3/20/23 -	Stephen Kyra	5/1/23 -	Braxton Vivian
3/27/23 -	Jo Elliana	5/8/23 -	Maci Leo
4/3/23 -	Natalie Carter	5/15/23 -	Graham Tyler
